# Highlights

## Extra-large water inlet

With the extra-large water inlet, adding water to your iron is quick and easy. It only takes a few seconds, and there's no more risk of spilling water everywhere!

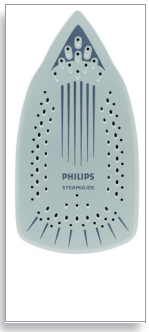
## Extra long cord
With the extra long cord, you can easily reach right up to the edges of your ironing board — and further!

## Highly visible water level

The extra-clear indicator makes the water level highly visible, so you always know if you have enough water at a glance.

## Pointed tip
The uniquely pointed tip allows you to iron even the hardest to reach areas.

## SteamGlide soleplate



SteamGlide soleplate is the best Philips soleplate. It has great scratch resistance, excellent gliding and is easy to clean.
